COUNCILLOR GRANT HUME

Councilor Grant Hume has resided in Melita since moving here from the Yukon in 1999. Grant was raised in Calgary but has also lived on the west coast and in southern Ontario where he was born. Grant has four grown children with Jody, his wife of 20 years. Jody is currently the charge nurse at the Melita personal care home where she has worked for over 20 years. After moving to Melita Grant operated a renovation business and a sign shop but has been working in the oil patch now for the past 13 years, currently in the Gainsborough/Carievale area. Grant was first elected to town council in 2006 and again in 2010, 2018 and 2022. Grant's portfolio these days mainly revolves around property issues and protective/emergency services but he has served the town in the past in almost every other capacity. Grant has always found it to be an honor to represent the town residents and ratepayers on council.
