EMPLOYEE: ERIC FORSTER

PROFILE

Hi everyone, I am Eric Forster. After graduating from high school in 2003, I worked out west in the oilpatch, mainly on the exploration side of it.

When I returned home, I attended Business Administration through ACC and eventually fell back into the oilpatch when it was closer to home. I have taken on a variety of roles since then, but now I am happily the Regional Economic Development Officer for the Crocus Country EDC. The CCEDC is a regional partnership amongst the Municipalities of Brenda-Waskada and Two Borders, as well as the Town of Melita. We are currently working on our Strategic Plan and looking forward to engaging the residents and businesses to complete a full 360 view. We are also in the midst of updating our new website, as well as other materials to promote the region for development as well as newcomer attraction. I volunteer on a number of local boards, as well as regional and provincial committees, and also working on my Ec.D. Designation through the Economic Developers Association of Canada.
