MAYOR BILL HOLDEN

I grew up in Napinka and attended school there until Grade 8 and then high school at MCI, Graduation Class of 1972. I moved to Melita in 1979. I have been married to Marilyn (Lewis) for 46 and a half year.

We have three children Evan (Dana) who lives in Souris, Jason (Alicia) in Winnipeg and Lisa (Jason) Bird of Lyleton. Proud grandparents to our five grandchildren; Liam, Nathan, Charleigh, Lane & Karter.

I've been in Council since 2010 and I'm currently on my third term as Mayor. I worked for C.P. Rail for 37 years and retired in 2009. Marilyn and I previously owned and operated The Strand Theatre for 35 years.

For the next couple of months, the Town of Melita Council and Staff will each be featured in the Town of Melita Newsletter, giving everyone a little "Getting to Know Me" write up.

Mayor Bill Holden will be our fearless leader for the Council members and Breigh Crepeele, CAO will be first for staff.

Enjoy!!

MELITA HEALTH CENTRE

Hello Everyone,
My name is Breigh Crepeele, Chief Administrative Officer for the Town. For those of you who might not know me very well, I thought I would start out first with a little childhood back ground. My wonderful parents are Don and Bard Williams of Medora and I have two younger siblings, Laura and Jess. We went to school in Deloraine, but spent a lot of time in Melita at the curling rink, pool, farmers markets, ball diamonds and you might just be able to pick me out in a couple of the Melita Ringette team photos up on the wall at the rink. After school I went off to ACC then University and graduated with a Bachelors of Business Administration.
My first experience working for a Municipality came in the summer of 2002 when I came home for the summer to work the Town of Deloraine as a Green Team student. During that summer I started dating my future husband, Sheldon Crepeele (but most people know him as Benny). While finishing up my University degree I was also able to accept a term position with the Town and experienced the administrative side. It wasn’t until 2008 when I was able to get back in municipal government full time. Since then, I have got my Certificate in Manitoba Municipal Administration, experienced amalgamation, changed municipalities and now experiencing my first year as CAO for the Town of Melita.
When I’m not working in Melita, you can find me running my three amazing children to either a skating rink, ball diamond, volleyball court or golf course. Danee is age 16, and last summer she worked at the Melita Pool and possibly taught your kids swimming lessons. Addison just turned 14 last month and she will be playing in the U15 Hockey Provincials in Melita, March 3rd to 5th, with the Deloraine/Hartney Boys. Rhett will be 9 this month and he's busy with hockey this winter and having his sisters wrapped around his little finger.
Please feel free to reach out at anytime with questions, concerns or ideas for Melita.
