SNOW REMOVAL

As we prepare for another winter season, it is imperative that we come together as a community to ensure the swift and safe clearing of snow from our streets. With the impending snowfall, our dedicated public works team is gearing up to manage the snow clearing operations effectively.

In accordance with the Traffic By-Law No. 2023-011, please note the following regulations to aid the snow clearing process:

- ➡ **NO PARKING** on roadways between the hours of 12 am and 7 pm from November 1st to March 31st.
- ➡ In the event of a snowfall, all persons owning and/or occupying a property within the Town of Melita limits must remove vehicles and/or other obstructions from the streets adjoining the property until snow removal is completed on that street.
- ➡ It is strictly prohibited to push or blow snow onto the streets once snow removal has been completed.

** Please be aware that failure to adhere to these regulations may result in fines of up to \$100 for each violation, in addition to any supplementary costs associated with enforcing these regulations.*

Let's make this winter season a smooth and safe one for everyone.
